Kansans - let's head to Duluth, a city of 87,000 people overlooking the banks of Lake Superior, for the 90th International Convention of the International Lutheran Laymen's League on July 26-29, 2007.

President's Message

Romans 10:14-15 sums up our mission very well: "How then, can they call on the one they have not believed in? And how can they believe in the one they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent? As it is written, 'How beautiful are the feet of those who bring good news!'"

Lutheran Hour Ministries continues to "Bring Christ to the Nations, and Nations to the Church!" There are so many ways you can be one of the active 100,000 plus LHM members working as "People of Christ with a Message of Hope." Choose one or more from being an ambassador, officer in a zone or district, in your church group, in fund raising, in Equipping to Share, Global Care Packages, Global Work and Witness, Petal Pushers, Prayer Partners, Project Connect, LHM Ablaze, or a donor.

In the Kansas District we can be a part of all the above or locally in our district project, bowling, golf, the State Fair booth or worship service, the Endowment Fund, LLL/LWML Family Retreat, Orphan Grain Train, Ministry Support, team presentations to churches, or working with your church.

God bless you and your work in Lutheran Hour Ministries.

Pastoral Advisor Reverend Mark Eichler Faith—Emporia

The LLL Theme this year “Glorify the Lord”, taken from Psalm 34:3, is a pretty general theme. How do we do this? Well, one way is shared with us in Proverbs 31:8-9, where we are called upon to speak up for those who cannot speak for themselves.

Of course, when we approach God, we all find ourselves in this condition. It’s part of our historic liturgies. We confess that we are by nature sinful and unclean. We call ourselves poor, miserable sinners. And we admit that if God kept a record of sins, not one of us could stand.

But we have One who speaks up for us. 1 John 2:1 tells us that we have One who speaks to the heavenly Father in our defense. Of course I speak of Jesus Christ, who not only speaks up for us but who went to the cross and suffered and died to rescue and redeem us. He is now our Advocate, for He was the sacrifice that takes away our sins.

So now it is our turn to speak up for others and to others. We “glorify the Lord” by showing Jesus’ love and telling the “good news”. This might mean being nice to the waitress who can’t say what she might want to say to a rude customer, for fear of losing her job. This might mean stopping to help a homeless person. This might mean visiting a jail or going on a mission trip. This means inviting people to church, especially at this time of year (Lent and Easter), when many are open to the church. It might simply be praying for someone who needs to know Jesus’ love. As a child of God, we all have responsibility for each other.

As Jesus speaks up for us, let’s speak up and speak to others, about Jesus’ love. That’s one way to “Glorify the Lord.”

Disaster Relief-Volunteers Needed

Work camps in the Louisiana area are: Camp Peace-Slidell, Camp Atonement-Metairie. Camp Bethlehem-New Orleans and the north shore, and Camp Restore-New Orleans. Camp Restore is the camp that Kansas District volunteers are encouraged to support. Information and sign up to work can be done at www.camprestore.org or phone 1-888-248-2636 or camprestore@yahoo.com. The camp is at the former Prince of Peace Lutheran Church and School. The facilities provide 200 beds with mattresses, hot water showers and a cafeteria. Camp Restore is allowing 13 to 15 year olds (who are with parents or grandparents) to work at the camp.

Many Kansas people have worked in the disaster area, some more than once. If you have questions or would like to talk to past volunteers, contact Chaplain Rocky Mease of **Targeted District Response**, at chaprm@aol.com or Ken McCosh, the Reporter editor.

Contributions made to the **Targeted District Response** and sent to the KS. District office 1000 S.W. 10th, Topeka, KS. 66604-1104, helps to pay volunteer costs on site so that volunteer expenses are limited to travel.

“Whatsoever you have done to the least of these...”

Les Walter, a member of Bethlehem - Sylvan Grove, is serving as Ministry Support Chairman for the Kansas District Lutheran Laymen's League - Lutheran Hour Ministries. Les will work with LHM Ambassadors in churches of the Kansas District. He served as President of the Kansas District LLL in 1987—1988.

Since accepting the position on Nov. 1, 2006, Les has recruited several Ambassadors that have volunteered to help spread the Gospel in their church and community.

Petal Pusher's

Lutheran Hour Float "Petal Pusher's" Bill and Darlene Proctor of Coldwater worked with their daughter Terri Proctor-McDow on this year's award winning 57th annual float in the Pasadena Tournament of Roses Parade.

While in Pasadena they were fortunate to see their

grand daughter, Jessica McDow march and play in the Oklahoma Governor's Centennial Parade Band. She was the only musician from the Woodward, Okla. area to be chosen for this select band.

This "Petal Pusher" experience was the second time that Bill and Darlene have helped build floats for the New Years Parade. If you have interest in being a future "Petal Pusher", contact Bill and Darlene, Box 734, Coldwater, KS. 67029, they will be glad to share the details on how to become a "petal pusher."

Bill is retiring from the position of LLL Ministry Support Chairman, however, he and Darlene continue on the board for the LLL/LWML Family Retreat to be held this year at Camp Webster, Salina on Aug. 3-5.

Thank you Bill and Darlene for your many years of service in the Kansas District Lutheran Laymen's League.

Fund Raising Idea's

At the Region 9 meeting, several ideas were presented on how fund raising could be conducted. In addition to the methods use above, these were given: Scrap iron drive, auction off items, collect Ink Jet cartridges, place a pink flamingo or toilet seat in a persons yard with a note where to pay to have it removed, use an Internet site that gives a penny to LLL every time ThiSearch.Com is used, buy time on a Lutheran Hour station (example, LLL from St. Louis pays \$200.00 each time the LH is on WIBW-Topeka), use LLL mite boxes, ask your congregation to include LLL in their budget, have a Valentine's Day dinner, and use some or all of the cash from old Life Insurance policies or make the beneficiary the Lutheran Laymen's League.

Orphan Grain Train

National News: Our LCMS has made a 5 year commitment to the clean up in the Katrina Disaster area. Orphan Grain Train has many requests for shipments of goods and supplies. The fund to cover shipping costs is running dry. The average cost for a delivery to the Biloxi - New Orleans area is \$1,500 for transportation. Donations may have a memo:

"Katrina Transportation."

The question has been ask, does OGT have a need for used hymnals? The answer is no, there has not been a demand for them.

A charity rating service, Charity Navigator, does annual reviews and rates Orphan Grain Train "three-star" (out of a possible four) rating. The prior year we received a two-star rating reports Richard Jostes, Director of Development for Orphan Grain Train. Richard further states; "this is great news for friends of Orphan Grain Train. It means that your prayers, sweat, hours, financial and in-kind donations have once again been for a good result. Worldly recognitions is not our mission. But getting positive recognition when it is "deserved" in the world's eyes is fun when it happens".

Kansas News: This past year the Kansas Division OGT has sent \$13,000 to OGT Norfolk. In the past few months 730 boxes of sorted clothes & some Bibles were picked up at St. John's and Immanuel - Herington. Eight hundred boxes were sent from Phillipsburg warehouse to Norfolk and 693 boxes of new clothes were picked up in Manhattan.

Fish feeds are scheduled for next fall, contact John White if you would like to host a fish feed this spring or summer. (785) 543-5717 or jawhite@phillipsburg.net

Clubs...Groups

When two or more people get together, they can affiliate with LLL, to complete a project the result is that more often gets done. Many times said; "The groups are the troops in the LLL". Affiliated men's clubs, couples groups, youth groups and Bible study classes (yearly Bible Studies provided by LLL) are important parts of the LLL In zones where people band together to have projects for LHM and the KS. District Project they produce a greater end result than where there is not a club or group activity.

To affiliate or check on your current affiliation standing at Int'l LLL, contact: Cheri Wilson 1 (800) 876-9880. Ext. 4205 or cheri.wilson@lhm.org.

April--Taxes? Deductions? Charitable Giving?

I am not an attorney but will share some ideas about giving to charities, here are ten ideas.

10. Give a birthday donation in honor of yourself, a family member, or friend.

9. Give a memorial gift in honor of a departed family member or friend.

8. Join the "Christmas" club at your bank or credit union and have a set amount put aside each week from your checking ac-

count and then at "Christmas" give the total amount to help in Christ's work.

7. Give a gift on your anniversary in appreciation of your spouse and your marriage

6. As a farmer, give a gift of some of your agricultural commodities to the charity (i.e.-grain or livestock) which is then sold for the recipient charity, the net effect is that the farmer does not have to count the sale as income but also does not count its value as a deduction, which in essence makes it 100% deductible to the donor and 100% of the proceeds go to the charity. (The farmer usually delivers the commodity to the elevator or livestock sales point in the recipient's name where it is then sold; and the recipient charity receives a check directly issued by the selling sales point for the proceeds of the sale.)

5. Give the gift of stocks, bonds, or other property which has appreciated in value since it was purchased to your charity. This procedure helps to maximize your gift and minimize or eliminate your taxes on the sale and gift.

4. Give an insurance policy to the charity or name the charity as the beneficiary today.

3. Buy your next new vehicle outright and give your current vehicle to charity and get a deduction for the old vehicle and benefit the charity. (not intended for Junkers!)

2. Designate the Kansas District Endowment fund as a beneficiary in your will, trust, or other estate planning procedure. This could include real estate and any other property. It may be advisable for you to actually donate the property prior to your death in various ways which you and your tax professional can determine in your estate planning.

1. Write out a check or give cash to the charity of your choice such as the Kansas District Lutheran Laymen's League Endowment Fund.

Be sure to contact your attorney or tax professional to assist you in planning your gifts and the procedures that will be right for you.
