## Dear Friends in Christ,

The mission of the Church is and always has been “Proclamation of the Gospel.” Jesus told us in Matthew; “Go ye therefore and teach all nations, baptizing them.... How are you and I being a part of that proclamation? How do we go, teach? Attending Church, praying, serving within our Churches structure, teaching Sunday school, inviting neighbors to attend Church with us, supporting missions at all levels, and joining with our Church community members in an organization called LLL/LHM dedicated to “Bringing Christ to the Nations and the Nations to the Church.” These and hundreds of others things that could be added to the list are action items requiring you and I to look outward, to go and do.

This newsletter has many examples of how you partnering with your neighbors in the community of God's people can better accomplish Jesus instructions to you and I. Let's be a team; don't just “let George do it.”

## Lutheran Hour Ministries Selects Next Executive Director

**St. Louis, MO, August, 7, 2013** — Kurt Buchholz of Glen Arm, Maryland, has accepted a call from the Board of Directors of the International Lutheran Laymen's League (Int'l LLL) to become the next Executive Director for Lutheran Hour Ministries. Buchholz will join the ministry Aug. 30 and will work alongside current Executive Director Bruce Wurdeman until Wurdeman's retirement at the end of the calendar year.

"I have worked closely with the Int'l LLL and Lutheran Hour Ministries in my previous positions, and I am excited and honored to be chosen to lead this organization at a time when we are faced with so many outreach challenges and yet provided with so many Spirit-led opportunities to reach an increasingly post-Christian culture," says Buchholz.

"I have seen firsthand how the ministry, under the excellent direction provided by Bruce Wurdeman and his leadership team, serves a unique role as 'Your Partner in His Mission' to boldly proclaim the message of Jesus Christ to a hurting world," he continues. "I have also been blessed to know and work with many of the ministry staff over the years and I can assure you that God has brought together a very gifted group of individuals. It is truly an honor to be in ministry alongside them!"

Buchholz most recently served as the vice president for special initiatives and executive director of the Lutheran Malaria Initiative for Lutheran World Relief in Baltimore, Maryland. In this role he led strategic initiatives targeted at simultaneous growth in three areas: international programs, constituent engagement and internal management systems. The Lutheran Malaria Initiative is a partnership of LWR and The Lutheran Church—Missouri Synod (LCMS) to mobilize U.S. Lutherans in the global effort to eliminate malaria deaths in Africa by 2015.

From 1993 through 2011, Buchholz served LCMS World Mission in a variety of leadership positions, including interim executive director, where he helped reverse a decade-long trend of decreasing revenue and lead the organization to financial stability. He was instrumental in leading the rollout of a complex \$100 million fundraising campaign for LCMS World Mission that ended in 2011.

Buchholz has lived and worked in Taiwan in various leadership roles, including school start-up and management, and he and his wife Jenny served as missionaries there for seven years. He is a graduate of Concordia Uni-

versity in Irvine, California, in the elementary education program and received his Director of Christian Education certification and a Master of Arts in organizational management from Concordia University in St. Paul, Minnesota.

"We are very pleased that Kurt has accepted the call to be our next executive director, given his past successes in leading large scale initiatives and his strong network of partnerships with leaders throughout The Lutheran Church—Missouri Synod," says Wurdeman. "He brings a wealth of experience and passion in national and international missions to this position and we are excited to welcome him to Lutheran Hour Ministries."

### Region 3 Ron Bott

This is no surprise to any of you that the Lutheran Laymen's League is losing members. But what are we doing about this situation? We may have already given up, or are close to throwing in the towel. We may see longtime supporters leave. We see others lukewarm when we talk about the LLL. Sometimes we feel as though we are the only one left. But do not give up. Do not give in to all the others.

I can see the competition we are up against—school, sports, social events, and you know many others. We must not forget what the Bible says, "Go and teach all nations." "You shall be my witness from Jerusalem to the ends of the earth." "You are the light for all the world to see." "We are to love our neighbor as ourselves." If we have faith, if we enjoy the gift of forgiveness of sins, if we are confident of our Salvation let's be fair with our neighbors, friends, co-workers and even those we will never see and share these important things that we cling to.

"OK wise guy" you might say, "Show me." Let me tell you when it comes to the internet and that stuff I am just plain dumb. But I can find the Daily Devotions, mostly by former speaker Reverend Ken Klaus, which is a good start. There are activities and programs available for all ages, from individuals to groups. So find a Bible Study group and share some Lutheran Hour Ministries material with them. They may be cold to your ideas but give the Holy Spirit time. Give them time to think. Put an article in your church bulletin, enroll someone in the Daily Devotions on the internet, and invite someone to Bible Study. What a **BOLD** move. The opportunities are endless, but we **MUST** do these things.

Just like the other events in our lives, pray, pray, pray. Make some notes and make some plans. Maybe practice with your spouse or friend. Take a friend along. These are just ideas. Come up with your own.

Just remember our mission statement "Bringing Christ to the Nations and the Nations to the Church." The Lutheran Laymen's League with Lutheran Hour Ministries is about **EVANGELISM**. This is the number 1 purpose God placed us here today and in days to come.

So go to the home page at [www.lhm.org](http://www.lhm.org) to get started.

### Kansas District Project 2012-13

The contributions to the 2012-13 Kansas District LLL Project with a goal of \$33,000 was only about \$30,000. This is a \$7,000 drop from our 2009-10 District Project when we received over \$37,000 in contributions. With about \$3,000 of carryover funds from the closing out the Endowment Fund last year, we are able to fund the \$33,000 goal. The first half of the \$26,000 budgeted for financial aid for students studying for full time church work has been distributed.

The Kansas District Board of Governors at their August meeting proposed to keep the 2013-14 Kansas District LLL Project budget goal at \$33,000. All of the Endowment Funds have been expended. In order to meet the \$33,000 goal we need to encourage more contributions from our fellowship groups, congregations and members. Most of our District Project funds are raised from pancake feeds and soup supper events and special door offerings. The proposed \$33,000 2013-14 Kansas District LLL Project budget to be presented to the Kansas LLL District convention in November will include: Financial Aid for students studying for full time church

work - \$26,000, LHM Seminarian Dinner - \$1,000, LHM Argentina Ministries - \$2,250, LHM Overseas Bible Correspondence Courses – \$2,250, LHM Rose Bowl Parade Float - \$500, and LLL/LWML Lutheran Family Retreat - \$1,000.

### Mission U

The Kansas District LLL made a commitment to fund one MISSION U workshop in each of the five LLL regions, they are still to be accomplished. If your congregation would like to host a workshop contact your Region Representative; Region 1 Richard Schrum, Region 2 Don Copley, Region 3 Ron Bott, Region 4 Chris Erickson, Region 5 Arlen Schultz. As host your Church would provide the meeting space, lunch, publicity to your circuit and registration; charging a fee to recover your lunch and incidental expenses.

The available courses can be viewed by clicking on Mission U above or go to <http://www.whatsmissionu.com/courses.asp>. This being an area wide event we would like intense publicity with a goal of fifty or more at each event. Kansas District LLL will provide funding, scheduling assistance, and publicity. Kansas LCMS, Rev. Frith, is supportive with advice, encouragement and publicity. Team work! Partnerships!

Several Mission U workshops are conducted each year in Kansas; invite, encourage, and bring God's people in your sphere of influence to a workshop to improve our sharing, and proclamation of the Gospel. The most recent workshop was MU101 hosted by Trinity, Atwood.

A recent Mission U, MU203 “Sharing the Gospel in a Digital Age” was presented by Rev. Dr. Lee Hagan, Senior Pastor at St. Paul’s Concordia, Mo., and was hosted by Bethany, Overland Park.

# The 2013 LLL/LWML Lutheran Family Retreat

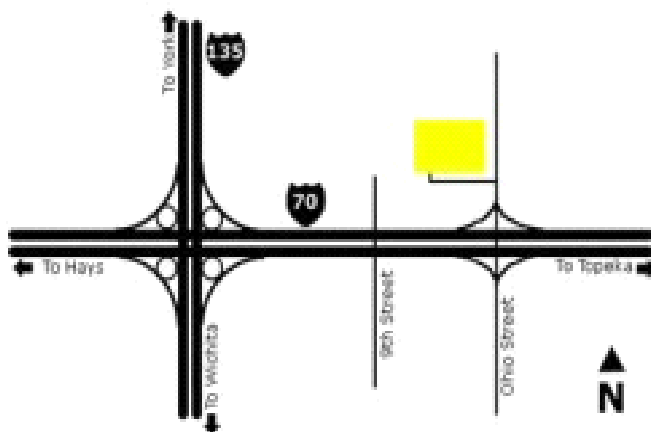

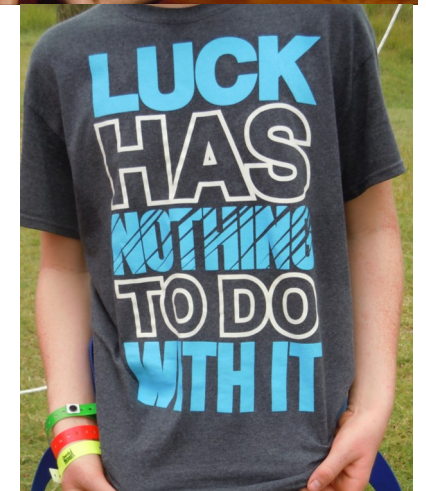

By Carroll Hackbart

The 2013 LLL/LWML Lutheran Family Retreat was held at Camp Webster near Salina, Kansas August 2,3,& 4 with only about 80 attendees. More than 75% were returnees, some traveling from several states away. The Retreat Committee did a fantastic job organizing and running the retreat. Many thanks for their time and effort. We had great weather.

The schedule included a Bible study/Sunday school each day and a Sunday worship service. The rest of the time was Family Free Time to enjoy camp activities. These included; climbing wall, the fly, zip line, high challenge course, canoes, paddle boats, swimming, air rifle, archery, Tetherball, basketball, crafts, sand dig or just relaxing and visiting. Evening activities on Friday included a camp fire at the lake with S'mores and Saturday Line Dancing and/or games with numerous snacks. Would those that attended please tell members in your congregation how much fun you had and all the activities available. Your non-Lutheran friends are welcome too.

The dormitories are air conditioned. Each room has several double bunks, w/bath and shower for each family. Great meals were provided, no kitchen duty. Attendees ranged from toddlers to grandparents. One 3 generation family has been attending for about 40 years. The Family Retreat is a great way for parents and grandparents to spend a quality, fun weekend with their kids and grandkids while enjoying the fellowship of fellow Lutherans. Do you hear slightly modified family reunion?

Mark August 1, 2, & 3, 2014 on your calendar, the date of next year's Family Retreat. If you haven't attended before, please consider attending next year and/or encourage others to attend.
