President's Message

Dear Friends in Christ,

Praise the Lord! He has greatly blessed the Kansas LLL/Lutheran Hour Ministries. We were able to exceed the District Project Goal of \$33,000 and received more than \$40,000 from groups and individuals. Thank you. Thank you. Thank you. Every dollar of the District Project goes to scholarships for students planning to become full time church workers and to several ministries that help proclaim the Gospel.

This year we are stepping out in faith and increasing our goal to \$40,000. The Lord promises in 2 Corinthians 9:8, "And God is able to bless you abundantly, so that in all things, at all times, having all you need, you will abound in every good work." God will bless our efforts. It reminds me of something I heard on the radio. The Preacher announced he had good news and bad news. The good news is that we have all the money we need for the building project. The bad news is that the money is still in our pockets. Isn't that the truth. God has blessed us greatly and we in turn need to be generous as we support the spreading of the Gospel. My prayer is that each group and individual respond to God's grace and blessing and that again this year we will exceed our goal.

On November 4th and 5th there are some major events occurring in Zone 7. On Saturday, November 4th the Kansas LLL/Lutheran Hour Ministries will have their Convention at Mount Calvary Lutheran Church in Marysville. On Saturday evening

we will have a meet and greet with LCMS President Matthew Harrison and Lutheran Hour Ministries Regional Director for Latin America, Nilo Figur. Then on Sunday morning, President Harrison will preach at the Zone 7 Convocation at Washington County High School in Washington, Kansas.

Please come and join us for all the events. Hear how the Lord is working through the LLL/Lutheran Hour Ministries and the Lutheran Church Missouri Synod to make an eternal difference in the lives of people throughout the world.

The Convention is in the Mount Calvary Parish Hall. Registration and The Board of Governors Meeting will begin at 10:30 on Saturday, November 4th and the Convention will begin at 12:30. Both Director Nilo Figur and President Harrison will be speaking at the Convention. It is a great chance to catch up on what is happening in the Kansas LLL/Lutheran Hour Ministries and the LHM and LCMS activity throughout the world.

Saturday evening, after the Convention, will be the meet and greet with our distinguished guests. Come and have a great catered meal. Then listen to President Harrison and Director Nilo Figur answer questions from the audience. Get to know them better and get to know more about their work. Maybe you have a question to ask.

Then, Sunday morning, come and experience the Zone 7 Convocation at Washington County High School at 10:00. We have had several Zone 7 Convocations and the Lord has blessed each one of them. They are truly a great experience. Praise The Lord!

Please set aside the dates and make plans now to join us for this uplifting weekend. Book your hotel room now because that is a very busy weekend. Please join us for all three events. God may right now be calling you to get involved. Please let the Lord work through you to build a stronger ministry in His Church.

The bigger picture Zone 7's Model for the Ks District?

Reprint with permission from the Linn/Palmer Record Leslie Manning Reporter

Ron Bott, a member of the men's club at St. John, serves as secretary for the Kansas district of the Lutheran Laymen's League, and would like for people to look at the district and look at what the international Laymen's League has accomplished.

“There are so many things that the district can do that the zone can't do,” said Bott. “There are so many things that the international group can do that the district can't do. It's so big it could overwhelm a person. There's a lot of committed people at all these individual churches, but it's much, much greater than that.”

The free will offering collected by the men's clubs at each church **funds/supports** district and international missions. (**ask: Zone 7 Pastoral Advisor Rev Rikli, President Voelker or Secretary Bott for exceptions**) Bott tells of the 34 missions offices throughout the world that are supported by donations. “They are storefront places where people stop by with a problem and the Lutheran Layman League tries to help them out, **thereby showing them Jesus love & redemption**,” said Bott.

In addition, many of the offices have broadcasting capabilities to share The Lutheran Hour (the same radio program aired on KCLY out of Clay Center and KNDY out of Marysville) around the globe, according to Bott. The radio program began airing in 1930 and today has over 1600 radio stations **broadcasting** the show. It is the longest running religious program in the world. (**weekly listener's over 1 million about 1/2 non-Lutheran's with many of these hearing the Gospel for the first time, total weekly touches 51 million by LLL/LHM world wide**)

“That's quite an honor,” said Bott. “A local zone could not do that by itself. People across the world, with technology, can hear The Lutheran Hour. And, it's going to keep growing.”

The donations gathered from the supper circuit also go to national missions, including **financial aid** funds for students going into church work and marketing The Lutheran Hour through a parade float in the Rose Bowl.

“We know with the way college costs today, every dollar helps,” said Bott. “The Lutheran Hour Rose Bowl float is the only religious float in the parade. We're quite proud of that. People come in from all over the United States to help build the float.”

Projects supported in Kansas include a worship service coordinated for the Kansas State Fair and a booth at the Kansas State Fair. The booth has been a part of the fair for over 30 years and the worship service began 15 years ago, according to Bott.

Tim Voelker, a men's club member at Bethlehem, also serves the Kansas district Lutheran Laymen's League. He holds the office of president. “We are making an eternal difference for people,” said Voelker. “I have come to love each form of outreach because I know people are coming to faith.”

Voelker asks people to imagine all the lives that are touched by the students who become Lutheran teachers and pastors. To think of all the people that see the Rose Parade float, listen to the state fair worship service or visit our state fair booth. To consider the people that hear from the Lutheran Hour Center in Argentina or complete a Bible Correspondence Course. According to Voelker, the Holy Spirit works through these contacts and people are coming to know Jesus. These contacts are supported by the free will donations people have offered during each supper coordinated by local church men's clubs.

“What we do is making a difference,” said Voelker. “God has abundantly blessed our efforts.”

From the Regions

Zone 7—Is awarded a LHM Bible Study DVD “We the Church” for outstanding work and setting a good example for Ks LLL to follow. It will be presented to Pastoral Advisor Rikli for use in all

Zone 7 Churches. Well Done!

Zone 8—Carroll Hackbart District Project - as of today, \$17,439, which is about \$7,000 ahead of last year this date.

Activity in development - At our January Kansas District LLL board meeting we discussed the possibility of partnering with the Circuit 8 pastors on commemorating the 500th year anniversary of the reformation. It is also the 100th year anniversary of the LLL/LHM and the 75th anniversary of the LWML. The Circuit Pastors have scheduled Dr. Paul Maier to speak at Mt. Calvary, Wamego, June 18 at 4:00pm with a German Diner to follow. They are also planning to have booths at the County Fairs and participate in the County Fair parades. I was to discuss the partnering with the Circuit Pastors and report back at our April 1st meeting. Possibilities we discussed included:

- Building a float and taking it to County Fair parades. A large banner on a PVC pipe frame on a pickup truck.
- Helping pay the \$1,000 expenses of bringing in Dr. Paul Maier to the Wamego program. The Circuit pastors only have \$600 in their treasury and the estimated cost of \$1,000.
- Reminding the churches of the \$100 available from the Kansas District LLL for outreach.
- Growing some of the money budgeted for the Kansas District LCMS debt retirement fund by purchase the groceries for the German Meal planned for the Wamego Dr. Maier event and taking a free will offering for the Kansas District LCMS debt retirement fund. Meal prepared by the ladies of the LWML and expenses provided by the LLL.
- I met with the pastors at the Circuit convocation at Clarks Creek last Sunday and discussed our proposals with them. I showed them a 3' x 7' banner with the logos of the Reformation, LHM and the LWML Two banners are needed for the float. The same design can be used in the county fair booths. I suggest that we have 18'x24" signs made for each participating church in each county and attached to the float banner. These can be used in the fair booth after the parade.

These are examples of great community outreach events.

Many were “first ever”, keep up the good work, continue and expand into 2018. The laymen of LLL/LHM have frequently lead the way in outreach within the LCMS. (See the “We the Church” DVD or page 2 for link.)

Region 1 Zone 3—BEAUTIFUL SAVIOR LUTHERAN CHURCH 13145 S. Blackbob Rd., Olathe, KS 66062 Friday, October 27 @ 6:30 PM and Saturday, October 28 @ 2:30 PM

This special screening is the perfect outreach opportunity... a chance to invite friends and neighbors to an event in a community setting. This entertaining new film follows the great adventure story of Martin Luther's life, packed with political intrigue, kidnappings, and life-or-death showdowns. At the same time, it's a story about the most important questions of life, including "Who am I?" "What is my purpose" and "How do I get right with God?"

This is the first time in more than 60 years that Lutherans have made a feature-length film about Martin Luther and the Reformation. Filmed in historic locations across Europe, this movie brings Luther's story to life with exquisite attention to detail. It's a chance to strengthen your faith by revisiting the birth of Protestant Reformation, and to share that experience with others.

IMPORTANT: Admission is FREE, but you must reserve tickets in advance. A free-will offering will be collected for the Kansas District Lutheran Laymen's League annual district project. The Kansas LLL annually provides scholarships for future church workers (teachers and seminarians). Popcorn will be provided. Drinks, and other treats will be available for purchase (Concession proceeds will benefit the LWML Mites project). Tickets can be reserved at a special website set up for the screening: <http://bit.ly/2x91mAw>

Fair Worship 2017

For the 15th year the Kansas District Lutheran Laymen's League hosted a worship service at the Kansas State Fair in Hutchinson. The weather cooperated nicely in the morning for the 10:00 a.m. start. At 9:40 a.m. the retired Rev. LeRoy Pralle was good to go. The choir and director Barbara Guey all from Our Redeemer, Hutchinson, were ready. Ronald Bott led the hymn sing. As more people arrived for worship the readings for the day Romans 13: 1-10, Ezekiel 33:7-9 and the Gospel reading Matthew 18:1-20. The choir responded with "A Faithful Shepherd is My Lord." The message by Rev. Pralle was on the Gospel. Pastor recalled talking to people about sheep and how dumb and sometimes really stupid they can be. People are that way also but God overlooks and forgives these things and sent His Son Jesus to suffer and die for all our sins.

There were 180-190 in attendance. The offering was close to \$1,000 and went to the Orphan Grain Train as there was a matching fund for hurricane victims.

Thanks to all that helped with the service and Secretary Sue for putting the worship folder together.

Fair Booth 2017

Members of local congregation LLL/LHM groups, the Kansas district LLL/LHM board, and other volunteers were blessed to continue presence at our booth at the 2017 Kansas State Fair. The Kansas District LLL/LHM has sponsored the booth for the past thirty two years. Booth volunteers represent about a dozen congregations. Portals of Prayer, My Devotions, Sunday School material, and other items are donated by many congregations across the Kansas District. Thrivent grants, a pancake feed, monetary gifts from congregations and LLL/LHM groups provide money to purchase Bibles for children and adults and other religious themed gifts primarily directed towards children, as well as LHM material. Our goal is to engage the children with a gift that then leads to conversation with them and their parents and grandparents. The booth is open from 9 a.m. to 9 p.m. each of the ten days of the Fair and is located in the southwest corner of the Meadowlark Building. May God continue to bless the team work of the committee and the many volunteers that provide their time and support. Thank you! LLL Zone 8 partners with LCMS Circuit 8 to Celebrate Anniversaries

Kansas LCMS Circuit 8 Forum organized several activities to celebrate the 500th Anniversary of the Reformation during the year 2017. These included 4 Circuit Forums/Reformation Lectures w/supper, a Dr. Pail Maier Lecture/German Supper and participation in the county fair parades and booths.

Year 2017 is also the 100th anniversary of the LLL and the 75th of the LWML. Zone 8 LLL asked if we could partner with the Circuit Forum with Dr. Pail Maier's Lecture/German Supper, the county fair participation in parades and booths, and celebrating all 3 anniversaries.

We helped pay the expenses of bringing Dr. Maier to Wamego Kansas, preparing the banners and church signs for the fair parade and booths and participated in the parades and booths.

The first Lutheran Hour Speaker, Dr. Walter A. Maier's son visits Kansas

Rev. Dr. Paul Maier presented "The Reformation's Impact on World History" at Mt. Calvary Lutheran Church on Sunday, June 25 as part of LCMS Circuit 8 and LLL Zone 8 Anniversary Celebrations. Dr. Paul Maier is a son of the first Lutheran Hour Speaker, Dr. Walter A. Maier. He is a retired pastor and former 4th vice-president of the Lutheran Church – Missouri Synod, and is the former Russell H. Seibert Professor of Ancient History at Western Michigan University. He is a much-published author of both scholarly and popular works, with over five million books in print in 20 languages, as well as over 250 scholarly articles and reviews in professional journals. Dr. Maier was a popular speaker at our International LLL conventions. A DVD of the presentation will be made available to Kansas congregations.

The presentation was followed by a German Dinner of bierocks, prepared by Mt. Calvary, and German side dishes and desserts, prepared by men and women of circuit 8 congregations.

LLL Zone 8 and LCMS Circuit 8 churches participate in County Fair parades and booths

LLL Zone 8 and LCMS Circuit 8 churches prepared large 3'x6' banners with the logos of the Reformation Anniversary, the LLL/LHM and LWML portraying the 500th Anniversary of the Reformation, 100th of the LLL and the 75th of the

LWML. Two banners were placed back to back on a PVC pipe stand in the box of a pickup for the county fair parades. Banners were also used in the county fair booths. An 18"x24" sign of each LCMS church in the county was hung below the banners. Information from LLL/LHM, LWML and the local churches was handed out by the walkers in the parade and the workers in the booths.

The parade banners were used by Mt. Calvary Lutheran Church in the Wamego 4th of July parade. Parade walkers handed out fans inviting spectators to join them and meet their new Pastor, Rev. Jim Price. St. Paul Lutheran Church, Alta vista plans on using the parade banners in the Old Settlers Day Parade this fall. St. Luke's Lutheran Church, Manhattan plans on entering the parade banner in Manhattan's Veteran's Day parade.

St. Luke's, Manhattan will use the banners in the booth in Kansas State University's Purple Power Play in City Park, an event kicking off the football season. Additionally he banner with all Circuit 8 church signs will be displayed in a booth at Praise Fest, an afternoon and evening of several church praise teams performing in Manhattan's City Park and ending with a professional Praise Band.

Rev. Dr. Paul Maier
