Greetings from International LLL Chairman of the Board

Greetings in the Name of the Lord!

It is my privilege to greet you as the Chairman of your International Lutheran Laymen's League. As we celebrate 100 years of God's blessings it calls to mind many inspiring stories of His steadfast love and mercies as He has blessed our efforts of Bringing Christ to the Nations—and the Nations to the Church. Even more, this anniversary is a wonderful opportunity to remember with confidence our bright future, and to rededicate ourselves to bringing this hope to the billions of people who are still hopeless.

Our call to discipleship is so very personal. In Psalm 139:14-16 the writer exclaims, "I praise You because I am fearfully and wonderfully made; Your works are wonderful, I know that full well. My frame was not hidden from You when I was made in the secret place, when I was woven together in the depths of the earth. Your eyes saw my unformed body; all the days ordained for me were written in Your book before one of them came to be."

Each of us is a unique part of God's creation. No two of us are exactly the same, and so each of us has a unique place in His kingdom work. When it comes to harvest work, there just is no substitute for YOU— your gifts, your talents, your personality, your interests. All these—and so much more— make you unique. You can't send a substitute because there is no one else like you. You can't ask your pastor to go for you, or your family members, or the outreach committee at your church, or even those who serve on staff at Lutheran Hour Ministries.

Like so many others, you may feel ill-prepared, tongue-tied, anxious, or fearful. But God has formed you as you are. This means there are people that you can reach with the Good News better than anyone else. Your caring heart, your listening ear, your encouraging words, your loving service, and your passions, skills, hobbies, and personality all make you unique. And that is why He has called YOU to work in His harvest field. He calls YOU to go,

in all your uniqueness, to the family, friends, and community right where you are. But you don't go alone. He has sent you with His Spirit, and with many other disciples, so that working together we can be Bringing Christ to the Nations—and the Nations to the Church, beginning in our own homes and jobs, as well as our local congregations and communities.

Reaching the unchurched is a special calling of the Int'l LLL/LHM. I join with you in thanks to God for His blessings on this ministry and I pray that our celebration of His faithfulness will help us to remember our future. Thank you for attending this convention and for all your support that has brought us this far! May God continue to richly bless the future of these ministries as we are SENT together to be His hands and His feet around the globe.

In His Service,
Phillip Johnson, Chairman, International Lutheran Laymen's League

Greetings from the President & CEO of Lutheran Hour Ministries

Greetings, brothers and sisters, in the Name of our Lord Jesus!

This is a time of great excitement throughout the church as we celebrate the historic anniversaries of the Reformation, Lutheran Women's Missionary League, and of course the International Lutheran Laymen's League. What an incredible year for celebrating ministry!

I'm sure that when 12 laypeople gathered in Milwaukee 100 years ago to support the church in word and deed by forming the Int'l LLL they could not have imagined the profound future impact of their decision. The beautiful part is not that 12 laypeople were called to action but rather they doggedly acted when the world and the devil sought to distract.

But if God could work through those 12 laypeople 100 years ago to achieve such incredible Gospel impact over the past 10 decades, imagine what the next 100 years can be like with not 12, not 1,200, not 12,000, but potentially 120,000 or more called, equipped, and SENT laypeople driving forward in faithful service to make the Gospel known! Let's not let that opportunity be forgotten!

Praise be to God that he has chosen to enlist you in His endeavor to bring salvation to ALL! I'm sure you are like me in that you love to see God's people come together and do something that really matters. LHM was created and supported for that very reason. Members like you never fail to encourage me to keep focused on our mission because there is so much more to do today and into the future.

I continue to be amazed at how God blesses LHM's work in Bringing Christ to the Nations—and the Nations to the Church. Today, as a trusted expert in mass media proclamation with a global network of partners, we reach more than 71 million lost and hurting people around the world each week with the Gospel. But with billions of people still unreached, our work is not done. That's why we work in areas where other organizations are not present and use indigenous staff to develop culturally relevant programs and resources that proclaim the Gospel to the unchurched in more than 50 nations on six continents.

These efforts are having a tremendous impact on people who previously may not have been exposed to the Good News. In the United States, it means that one million listeners are tuning in to The Lutheran Hour program each week, and thousands more benefit from outreach resources, training, and events. Around the world, it means that in the past year evangelistic efforts by our ministry centers generated nearly 500,000 responses and resulted in more than 21,500 people becoming connected with local churches.

On behalf of all of us at LHM, thank you for attending this district convention and for your continued dedicated support of the Int'l LLL/LHM. May God continue to bless us all with the call to His mission, with a bold

vision for the future, and with courage to put our faith into action. Have a great event!

Your Partner in HIS Mission,
Kurt Buchholz, President & CEO, Lutheran Hour Ministries

Greetings from Tim Voelker
Kansas District LLL President

Praise the Lord! He has greatly blessed the Kansas LLL/Lutheran Hour Ministries. We were able to exceed the District Project Goal of \$33,000 and received more than \$40,000 from groups and individuals. Thank you. Thank you. Thank you. Every dollar of the District Project goes to scholarships for students planning to become full time church workers and to several ministries that help proclaim the Gospel.

This year we are stepping out in faith and increasing our goal to \$40,000. The Lord promises in 2 Corinthians 9:8, “And God is able to bless you abundantly, so that in all things, at all times, having all you need, you will abound in every good work.” God will bless our efforts. It reminds me of something I heard on the radio. The Preacher announced he had good news and bad news. The good news is that we have all the money we need for the building project. The bad news is that the money is still in our pockets. Isn’t that the truth. God has blessed us greatly and we in turn need to be generous as we support the spreading of the Gospel. My prayer is that each group and individual respond to God’s grace and blessing and that again this year we will exceed our goal.

So many people worry about what they have or what they must do. When we look at what is really important, we are so blessed. We have what we need. In fact, if you look closely, most all of us have some to share. And we can do nothing to earn our salvation. Jesus has done all that is needed for us to be saved. So what we do is not to earn our salvation, but we do what we do for the sake of our neighbor. We need to continue to get The Word out. We need to continue supporting the Kansas LLL and Lutheran Hour Ministries, so that more and more people can hear of the saving grace of our Lord, Jesus Christ. Thanks again to all of you who have been so supportive and all the groups that have set support. We need more people actively involved.

Maybe it is as local officer or maybe Zone officers, and yes, maybe as a District officer.

God may right now be calling you to get involved. Please let the Lord work through you to build a stronger ministry in His Church.

Tim Voelker,
President – Kansas LLL/Lutheran Hour Ministries

Kansas District Lutheran Laymens League Convention
77th Annual Convention November 12, 13, 2016
Holy Cross Lutheran Church—Wichita, Kansas

The Convention was called to order by President Tim Voelker.

Opening devotions were led by Pastor Scott Snow. The devotion was based on Matthew 13:1-23. The Gospel is like seed. As the seed is scattered it falls on a variety of soils. Some falls by the wayside and is eaten by the birds. Some falls by the rocks and sprouts but because of harsh conditions it soon dies. Some fell on good ground and grew well producing 30%, 50% and 100% good fruit. God's wish is that we sow with reckless boldness and His word falls on productive soil.

Pastor Snow had another commitment and could not stay but announced that Holy Cross, Wichita is hosting a trip to Germany July 20-August 1. Contact Holy Cross if interested.

The Convention attendees were given a few minutes to read the minutes of the 2015 Convention. A motion was made to accept minutes as printed. Motion seconded and carried.

District Treasurer Gary Holle gave a detailed treasurer's report . As there were no questions a motion was made, seconded and carried to accept his report.

Carroll Hackbart gave the District Project report. Carroll reported that with many churches or groups having fundraising events and individual contributions we exceeded our project goal of \$33,000 by \$2,257.29.

Next we heard from Bervin Mirtsching, Ministry Advancement Officer for Lutheran Hour Ministries. He reported there are 35 Lutheran Hour Ministry centers throughout the world, many in countries where there is no organized church. People native to each country use Lutheran Hour programs and activities to tell of Jesus Christ. He mentioned various programs available to individuals, families, church groups and churches that we can use and share to tell others about Jesus Christ. Bervin explained the goal to raise 242 million in the next 5 years to tell the world about Jesus Christ and His salvation. This is not just for foreign countries as the United States is one of the largest mission fields.

After a short break we had introduction of those present.

Ronald Bott then read Resolution 16-01 “Celebrating 100 years of bringing Christ to the nations and the nations to the church” This resolution was approved with the singing of “Praise God From Whom All Blessings Flow.”

We then had the presentation of the ballot by Vice-President Arlen Shultz. Candidates were President, Tim Voelker; Vice-President, Arlen Shultz; Region 2 Representative, Keith Jopp and Region 4 Representative, John White. There were no other nominations. A motion was made and seconded to accept these candidates as our officers for 2016-2017. Motion carried. The new officers were installed by Pastor Scott Snow.

We were honored to have District President Rev. Peter Lange share a message with us. There are 163 Missouri Synod churches in Kansas; 14 grade schools; 41 pre-schools; 200 Pastors and 55,800 members. Pastor Lange told of how churches are using Lutheran Hour materials. He encouraged us to help equip the members by using LHM materials. He encouraged us to be bold examples to others. Pastor Lange challenged us to bring Christ to our neighbors.

Greetings from the LWML were given by President Brenda Piester. She told us the LWML is celebrating 75 years. She told of growing up in the church and the Lutheran Laymens League and the Lutheran Hour was a big part of her life. She also mentioned the many activities of the LWML.

Next Carroll Hackbart gave Resolution 16-02-- Ministry Action 2016-2017 the District Project. Financial Aid to students wanting to be full time church workers \$26,000; dinner for fourth year students at Concordia Seminary \$1,000; overseas Bible correspondence courses and Argentina Lutheran Hour Ministry center \$4,500; Kansas State Fair Booth and Worship Service \$1,000 and Lutheran Hour Float Rose Bowl Parade \$500 for a total of \$33,000. Any overage will go to Financial Aid. This Resolution was seconded and accepted as presented.

We then had the privilege of hearing Lutheran Hour Ministries President Kurt Buchholz in person. Kurt was on his way to India to see first hand the activities of LHM and also the opportunities that are there. He said God calls on individuals to teach the gospel; each individual has this responsibility; figure out a way to use LHM programs; make a connection with others and be bold in your ministry.

Mark Westerman then read the Convention Thank Resolution 16-03. We thanked Region 2 for their work hosting the convention and also a reminder to look for opportunities in 2017, our 100 years of The Lutheran Laymens League.

John Johnson Region 3 Representative gave ad invitation to the 2017 Convention. Tentative dates are November 11, 12, 2017 quite possibly in Salina. There was some discussion about maybe combining the Convention with the Convocation that will be in Zone 7 on November 4 and 5, 2017.

Tim made several announcements: District Board Meeting in Salina on January 28, 2017. Tim urged us all to get involved with Lutheran Hour Sunday February 5 or any other Sunday that works for your church; District Golf May 6 at Ft. Riley.

Keith Jopp told us how to support The Lutheran Hour on Bott Radio.

The Convention was suspended till 8:45 Sunday. We dined with members of Holy Cross listening to a live German Band.

On Sunday morning many of us worshipped with Holy Cross. Tim had the opportunity to encourage the members of Holy Cross to check out Lutheran Hour Ministries, use the programs, get involved and support the Lutheran Laymens League and Lutheran Hour Ministries.

Our Convention resumed at 8:45 with announcements and discussion on the District Convention for 2017. There was no other business so Tim called the 77th 2016 Convention closed. We closed with the Lord's Prayer.

Secretary

Ronald Bott

State Fair Worship Service Ronald Bott

For the 15th year the Kansas District Lutheran Laymen's League hosted a worship service at the Kansas State Fair in Hutchinson. The weather cooperated nicely in the morning for the 10:00 a.m. start. At 9:40 a.m. the retired Rev. LeRoy Pralle was good to go. The choir and director Barbara Guey all from Our Redeemer, Hutchinson, were ready. Ronald Bott led the hymn sing. As more people arrived for worship the readings for the day Romans 13: 1-10, Ezekiel 33:7-9 and the Gospel reading Matthew 18:1-20. The choir responded with "A Faithful Shepherd is My Lord." The message by Rev. Pralle was on the Gospel. Pastor recalled talking to people about sheep and how dumb and sometimes be really stupid they can be. People are that way also but God overlooks and forgives these things and sent His Son Jesus to suffer and die for all our sins.

There were 180-190 in attendance. The offering was close to \$1,000 and went to the Orphan Grain Train as there was a matching fund for hurricane victims.

Thanks to all that helped with the service and Secretary Sue for putting the worship folder together.

2017 Kansas State Fair Booth Mike Tonn

Members of local congregation LLL/LHM groups, the Kansas district LLL/LHM board, and other volunteers were blessed to continue presence at our booth at the 2017 Kansas State Fair. The Kansas District LLL/LHM has sponsored the booth for the past thirty two years. Booth volunteers represent about a dozen congregations. Portals of Prayer, My Devotions, Sunday School material, and other items are donated by many congregations across the Kansas District. Thrivent grants, a pancake feed, monetary gifts from congregations and LLL/LHM groups provide money to purchase Bibles for children and adults and other religious themed gifts primarily directed towards children, as well as LHM material. Our goal is to engage the children with a gift that then leads to conversation with them and their parents and grandparents. The booth is open from 9 a.m. to 9 p.m. each of

the ten days of the Fair and is located in the southwest corner of the Meadowlark Building. May God continue to bless the teamwork of the committee and the many volunteers that provide their time and support. Thank you!

Ambassador Report

Ambassadors to Congregations and Communities

We are communicators, telling people of the many ministries provided by Lutheran Hour Ministries. LHM lists the basic functions that suggests what an Ambassador my do, these are found at: www.lhm.org/ambassador.

The LHM Ambassador informs the congregation and community about the ministries available to them, example; The Lutheran Hour, Daily and Seasonal Devotions. At this convention details will be provided on how your Kansas District LLL/LHM will provide publicity funding, to tell of the outreach tools from Lutheran Hour Ministries available in your community.

What do LHM Ambassadors do?

+ Create awareness for the programs of LHM within the congregation and Community using many media tools.

- + Ask others to pray for Lutheran Hour Ministries.
- + Encourage participation in LHM projects and the use of LHM resources, as well as to encourage donations to support LHM's ministries.
- + Thank donors who support LHM's ministries and remind them of how their donations reach others with God's word each year. In February or time of a congregations choosing is when the Lutheran Hour ministries story is told and a good time to thank donors.

Thank you to everyone serving as a LHM Ambassador to your congregation and community. If not a LHM Ambassador, go to www.lhm.org/ambassador to register, two per congregation may register, then receive a welcome packet of items from LHM plus receive a monthly newsletter.

May your efforts be a blessing to others.
